## Form A

November 28, 2003

Senate Bill 1002, which became effective on October 16, 1996, included a provision that prohibits any diesel-powered vehicle with a gross weight greater than 26,000 pounds and for which gross weight fees are paid from registering or operating in Area A unless the vehicle has a 1988 model year or newer engine. The law can be found at Arizona Revised Statutes, Section 49-542(F)(7).

Please submit this form and required supporting documentation if your engine currently meets the required standards.

(Please submit one form for each engine).
